

SPEED OUT

Use on bathroom tile and tile grout,
grout around tub shower stalls,
plastic shower curtains and mats

MOLD & MILDEW REMOVER

Product # 172

DESCRIPTION

Cleans away mold and mildew before your eyes. Delivers a powerful clean without scrubbing. Super powerful formula with bleach dissolves mold and mildew on contact. Removes the stains you can't stand and removes the mold you can't see. Use SPEED OUT as directed and you'll not only remove ugly stains, you'll remove the mold and mildew that cause them.

BENEFITS

- * Multi-surface mold and mildew stain remover
- * Works in minutes to restore the look of your tiles
- * Easy to use, no scrubbing

USAGE

Recommended for commercial, institutional, industrial as well as household use. Use on grout, bathrooms, toilets, kitchens, sinks, etc.

DIRECTIONS

Use in well-ventilated areas. For sensitive skin or prolonged use, wear gloves.

Spray on glazed ceramic tile, grout, tubs, fiberglass, shower doors, vinyl shower curtains and sinks. Allow mildew stains to disappear, wipe with clean sponge or rag and rinse well.

To remove mold and mildew on hard nonporous surfaces: Spray surface such as tile until thoroughly wet, let stand five minutes and rinse. For heavier soils, allow product to stand longer.

Do not use on food surfaces. Do not use on wood or painted surfaces, or on fabric. Avoid prolonged contact with metal and old porcelain. Do not combine with other cleaning products as mixing household chemicals can release hazardous gases.
